

## An Evening of Fun and Fellowship!

We look forward to an evening when nearly 500 Southern District Lutherans will gather at Michaul's Restaurant (840 St. Charles Ave). We are small part within the total Gathering crowd but we are significant.

Dress comfortably and have your dancing shoes with you to enjoy some Nawlins' music! We thank you for making the commitment to participate in this function!

Your District t-shirt will be provided to you this evening.

### Southern District Event – Michaul's Live Cajun Music Restaurant (July 18; 10 p.m. – 12 Midnight)

The District Event is set to take place soon after the close of the Sunday night Mass Event in the Superdome! You will be expected to check in as a group, with your total group assembled. You will enter from St. Charles Street. Please note the map shows the location of Michaul's. Bring your appetites as this is a buffet meal: fried turkey, red beans & rice, cajun meat pies, green beans, french bread, an assortment of desserts including bread pudding, and sodas. **(Participants are limited to one meat pie and one assorted dessert item.)** The other foods include unlimited quantity. We trust that the map will provide a bearing for you as we could not list all of the hotels where Southern District participants are staying.
